

Dear Community Members,

The Theatre Company of Saugus (TCS) is your local non-profit community theatre entering its 58th season of entertaining theatre-goers in and around Saugus and the North Shore. We produce 3-5 shows a year, ranging from comedy to tragedy, and modern to the classics. Each year we do our best to fill our season with scripts that are enticing and well-rounded that draw in both the audience and performers!

People come from all around Boston and the North Shore to both audition for and attend our productions. Our membership is diverse, with actors, stage crew, and production staff of all ages, who have been with the company since its conception, and members who haven't entered preschool. We welcome everyone to join our theatre family.

We believe live theatre keeps a community vital and culturally enriched, and encourage theatre by and for young people as well. That's why for the last 16 years we have offered a summer theatre program for kids grades one through twelve,

The Theatre Company of Saugus Youth Theatre Workshop aims to offer an inclusive environment where youth can feel empowered to create, learn and grow within the world of theater. Our program is designed to develop and showcase performance skills as well as offer opportunities to learn about and work with the technical and creative design aspects of theater.

We do our best to keep our Registration Fees and ticket prices low to make theatre accessible and affordable to our community. As you can imagine, ticket revenue only covers a portion of our expenses. To break even, we also earn funds by selling refreshments, holding fundraising events, and soliciting donations and sponsorships.

We would appreciate your support in helping us achieve our goal of providing quality and enriching entertainment for the community. We are a certified 501(c)(3) non-profit corporation, and your donations are tax-deductible. All donors are credited in the playbill programs for our show. Sponsor benefits may include ads in the programs, tickets to shows, and inclusion in our publicity.

If you would like to help us to be able to bring live theatre to the Saugus Community, please fill out the attached Sponsorship Application form, send it in with your check payable to:
