

Community Theatre Since 1968

Dear Community Partner,

Theatre Company of Saugus is excited to launch **Fun on Route 1**, a summer raffle fundraiser supporting our **Youth Theatre Workshop**.

Throughout the summer, Theatre Company of Saugus will be holding raffles at various events and performances to help raise funds for our youth theatre programming. As part of this effort, we are reaching out to businesses, restaurants, shops, and community partners located up, down, and around Route 1 to ask for donated items that can be included in our raffles.

Theatre Company of Saugus has proudly served the Saugus community since 1968, bringing local theatre, arts education, and creative opportunities to generations of performers, volunteers, and audiences. This summer, our Youth Theatre Workshop performances will take place at Saugus High School, giving young performers the chance to grow, create, and share their work in a meaningful local setting.

The Youth Theatre Workshop gives young artists the opportunity to learn, collaborate, build confidence, and experience the joy of theatre. Students are introduced not only to performance, but also to teamwork, responsibility, creativity, and the importance of being part of a supportive theatrical community.

We are currently seeking donations such as gift cards, gift baskets, merchandise, services, tickets or experiences, restaurant certificates, or other items your business would like to contribute.

Your donation will help us raise funds to support this program and continue creating meaningful opportunities for young artists and families in Saugus and the surrounding communities. It is also a wonderful way to highlight the generosity and community spirit of local businesses.

Participating businesses may be recognized through our social media, event materials, raffle promotion, or other available recognition opportunities.

Theatre Company of Saugus is a **501(c)(3) nonprofit organization**. Donations may be tax-deductible to the extent allowed by law. **Tax ID/EIN: 04-3083948**

To donate an item or learn more, please contact **Amanda Goolsby** at TCSYTW@gmail.com

Thank you for considering a donation to **Fun on Route 1** and for helping us support the next generation of theatre artists.

Jason Hair-Wynn
President
Theatre Company of Saugus
